**Subject:** Establishment of a project editor fee

**Statement:** As discussed at the Meeting 273, the 15th meeting of the INCITS COBOL Task Group (PL22.4), PL22.4 shall establish a project editor fee, to be collected at each meeting for which currently a meeting fee may be collected, for the purpose of replenishing the PL22.4 ITI Project Editor Fund. The initial fee amount of \$100 per member to be collected at the first meeting subsequent to the close of ballot. Additional fee amounts for future meetings would be decided by a meeting vote on a meeting by meeting basis at least 30 days in advance of the change in fee. Funds collected shall be sent to the INCITS Secretariat who shall administer the account and issue payments as needed. This is a voluntary fee and not to be confused with the annual participation fee.

**Do you approve the establishment of a project editor fee?**

<sup>1</sup> American National Standards are developed by the voluntary participation of all parties and with the intention and expectation that the standards will be suitable for wide application. Since their use is likewise voluntary, an affirmative vote does not commit an organization or group represented on the committee to the use of the American National Standard under consideration.

<sup>2</sup> If you find that you cannot vote YES and wish to vote NO or ABSTAIN, please state this and explain the reasons for your position in the space provided or on a separate sheet.
